Sir

I have the honor to state that with a view to extend the drainage scheme in the City, the Sanitary Engineer was requested to send estimates to complete the laying of underground sub mains and street sewers of II & III Divisions as a portion of these localities was already provided with sewers last year. The Sanitary Engineer sent the two estimates noted in the margin

1 Laying submain No 1 through Cottonpet and Akkipet	Rs 24,000	amounting
2 Laying street sewers to sub main No 1	76,680	to - - -
	1,00,680	Rs 1,00,680

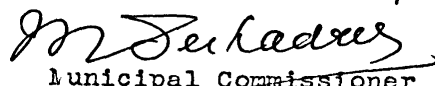

In the estimates provision was made for establishment and tools and plant charges at 18% of the cost of the works. The Council while approving the execution of the works, resolved that Government be requested not to charge more than 7½% of the cost of the estimates in respect of these works on account of supervision charges. A copy of the resolution of the Council dated 10th August 1935 is herewith sent. I request the favour of your obtaining sanction of Government to the resolution of the Council

two
The/estimates were countersigned and sent to the Sanitary Engineer. The cost will be met out of the one lakh provided under 'C Drainage works' in the Budget for 1935-36

I have the honor to be,

Sir,

Your most obedient servant,

Municipal Commissioner
